**This 1995 cover** is based on a collage that I did way back in 1973, from old steelcut engravings and a J.C. Whitney catalog. The band had seen it in the studio, and thought it best depicted a state of being "Beyond Reason". Four-color inks simulate just a few spot colors. Gary Symington did the logotype work.

The cassette art- a complete re-rendering of the CD cover concept, is reproduced below, at 50% scale.
